

## Case Studies

### Securing Coca Cola Bottling Plant

Coca-Cola Hellenic control the largest bottling facilities for Coca-Cola outside of the United States.

#### Brief

The site needed over 200 doors across four sites in Greece.

#### Solutions Provided

- With over 200 doors across four sites, this project required the latest in access-control hardware and software.
- The main building itself has over 120 doors, and the security installers, MAXIMA SYSTEMS, knew the ACTpro range would make the installation low-maintenance and hassle free.

- The sites use ACTpro controllers, including the ACTpro 4000, and ACTpro 1030 readers to secure the doors.

Installer: Maxima Systems.
