"Our go-to product": Customer praise for ACT365

We have recently received some glowing praise for ACT365, our cloud-based, access control and video management solution.

Check out our customer reviews below.

Secure and Stable

ACT365 is a secure, stable access reader. A problem it helped me solve is its ability to find suitable authentication options. ACT365 is very easy to use.

Simon Langhoff, Product Manager, Siemens.

Serverless Management

ACT365's best feature is its serverless management. I would recommend it to a friend. It is easy to use.

Christophe Malolepszy, Regional Manager, CCF.

Simple Solution

I would describe ACT365 as a simple solution. Its best feature is its remote management. I would highly recommend it to a friend.

Stephane Le Quellec, Business Manager, Sygmatel Electronique.

Customer-friendly

As a Vanderbilt Gold integration Partner, this is our go-to product. The ACT365 product is not only flexible and customer-friendly, but the in-built API offers a higher degree of scope for us and our business.

Oliver Law, Managing Director, OLS Limited.
