Video: How to control a door from ACT365

ACT365 is a complete cloud based access control and video management solution that enables you to manage your security system from anywhere, at anytime.

It enables you to watch video footage, disable a user or open a door from any device at any time (PC, Laptop or Smart Phone), meaning that you can truly stay connected to your business wherever you are.

Watch our short video below on how to control a door from ACT365.
