### Webshop Spotlight: ACTpro-1500 door controller

*“The ACTpro-1500 door controller is in compliance with the following EU Directives for CE marking: the Directive 2014/30/EU (Electromagnetic Compatibility Directive), and the Directive 2011/65/EU (Restriction of the use of certain hazardous substances Directive).”*

#### Overall:

The ACTpro-1500 is a single door IP Controller with a dual-port Ethernet switch. The ACTpro-1500 controller supports 60,000 users, 2,000 User groups, door station technology (ACTpro-100 and ACTpro-120) and wireless locks and is ideal for a single door or for systems that need to grow to thousands of doors.

## Key Facts:

- A dual port Ethernet switch allows for up to 4 controllers to be connected to each other via Ethernet
- Compatible with all ACTpro systems
- Mains present (Line voltage) monitoring
- Emergency Door Release (EDR)/Breakglass monitoring
- Tamper monitoring
- Faults reported in ACT Enterprise software
- Anti-Passback
- Fire Override
- Airlock/Interlock
- Arm/Disarm intruder pane
